STAR NEWS

September 6, 2020

WE ARE BACK!!!!

It was great to see so many skaters back on the ice again. Things will continue to look a little different.

Be sure to check Nickel Blades/Skate Ontario/Skate Canada sites for the latest updates regarding COVID-19 regulations and protocols.

Planning for the year is underway, we are waiting for the City to advise us on ice. Once we have more information we will inform you.

September Ice Schedule

Due to COVID restrictions on numbers of skaters on the ice you can NOT change your dates.

Latest schedule posted on website www.nickelblades.ca

Be sure to review carefully as session locations/times/dates vary. If there is no skating on your registered day, you MUST advise coaches what make up session you are attending (applies to Pre-star ½ and star 3+ two sessions per week).

On Ice Reminders:

*Proper Dress code

*No Hoodies

*Social Distancing

*No talking at the boards
